Netsuite™ Training Solutions

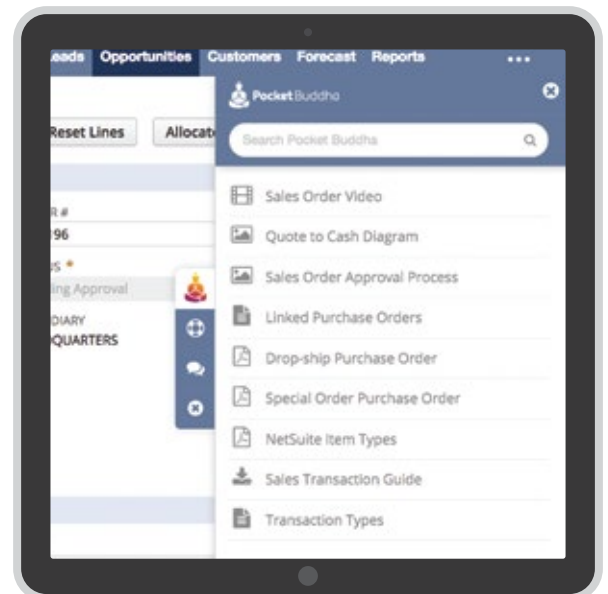

Pocket Buddha
Training Made Easy

Pocket Buddha provides a suite of **training solutions** to help your users learn and use NetSuite rapidly while achieving ERP process and documentation compliance.

Instant Help Right Within NetSuite

The Pocket Buddha **Instant Help Widget** surfaces relevant multimedia training materials based on the **user's role** and the **exact** NetSuite page the user is on. Surfacing relevant training and reference materials based on what a specific user is doing within NetSuite is a key feature of Pocket Buddha.

Learning Paths for Rapid NetSuite User Training

The Pocket Buddha **Learning Center** provides the ability to create role specific **training paths** for users to follow and learn NetSuite rapidly. Each training path is a step-by-step sequence of training materials covering a specific user role or process or subject.
